OIL NUT ADVENTURES

1. Anegada
Visit the flattest island in the BVI with the highest recorded point on land being only 28 feet above sea level! Anegada is known for its beautiful turquoise waters, white sandy beaches, and salt ponds that are home to the flamingos. If you have time, be sure to stop and check out the Conch Island left behind by the Arawak fishermen, which is over 200 years old!

2. Virgin Gorda
Visit the beautiful beaches of Savannah Bay, Spring Bay, or Devil’s Bay. Fancy some food? Stop at Hog Heaven, Sugarcane, CocoMaya, or Leverick Bay. The best mode of transport is by taxi or a rental car from Gun Creek.

3. Norman Island & the Willy T
For the landlubbers, there are two restaurants & a shop located at the Pirate’s Bight. Visit the infamous Willy-T (an anchored pirate ship with a bar, food, and some nauti stowaways). 3 water level caves provide amazing snorkeling & adventure. Fun Fact: Norman Island is rumored to have inspired the pirate novel Treasure Island. Even today, it is said that there may still be buried Treasure there.

4. Cooper Island
With a selection of over 230 Rums from around the world, specialty cocktails, and 6 craft beers from their on-site microbrewery, Cooper Island Rum Bar is a guaranteed hit. Pop in for a drink, lunch or just a quick snorkel at Cistern Point!

5. Jost Van Dyke
Go visit some of the best beach bars in the BVI! Sail Fast and Live Slow on your way over to Sydney’s Peace and Love or Foxy’s Tamarind Bar. At White Bay, you can find a full line up of food, bars, and dinghies. Swim ashore to the Soggy Dollar Bar, home of the Painkiller, and figure out how this bar got its name.

6. The Baths
On the tip of Virgin Gorda, this natural geological boulder formation has created small passages and baths of turquoise water.
